RESPONSE TO NOTICE TO FILE MISSING PARTS

Assistant Commissioner of Patents
Washington DC 20231

Attention: BOX MISSING PARTS

Dear Sir:

Enclosed you will find a signed Declaration and Power of Attorney for the above-identified patent application. You will note that two inventors were named on the originally filed and unsigned Declaration and that only a single inventor is named in the signed Declaration included herewith. The inventorship on the original Declaration was in error. Pursuant to 37 CFR §1.48(f)(1), inventorship can be corrected in a non-provisional application where the application was filed without an executed oath or Declaration by later submitting an executed oath or Declaration during pendency of the application. To this end, Applicant believes the signed Declaration included herewith corrects inventorship.

In addition, included herewith is a Verified Statement Claiming Small Entity Status. Please file these documents in the present application in due course.

Respectfully submitted,

CARLOS DE LA HUERGA

CORRECTION OF FILING RECEIPT

Application Processing Division's
Customer Correction Branch
Assistant Commissioner of Patents
Washington DC 20231

Dear Sir:

Enclosed you will find a copy and executed Declaration related to the above-referenced application. The originally filed Declaration which named both Mr. Carlos De La Huerga and Mr. William E. Craig was not executed and was in error. Under 37 CFR §1.48(f)(1), if the correct inventor or inventors are not named on filing a non-provisional application without an executed oath or Declaration, a later submitted executed oath or Declaration during pendency of the application serves to correct inventorship.

In the present case, Applicant has submitted the enclosed executed Declaration indicating that Mr. De La Huerga is the only inventor in this case. Therefore, the filing receipt is incorrect and, as indicated on the copy included herewith, Mr. Craig should be removed from the filing receipt. Please correct the receipt.

Please call if you have any questions or need any other information.

Respectfully submitted,

CARLOS DE LA HUERGA
